Pembroke Primary School is proud of its environment and huge open spaces which provides our children with an enormous outdoor area to learn, explore and play.

Just like the bee in our logo we are resilient, hard working and have a "can do" attitude. We never give up, support one another and will continually strive to achieve our goals.

Whilst each "bee" has its own important role, it is also mindful of others and shares collective responsibility for the wellbeing of the hive.

Despite its size, a bee is also able to exceed expectations and is the sign of a healthy environment.

We would love for you to come and join our hive!

Would you be interested in booking your child into Before School Care?

We are considering reopening before school care to make things easier for our families. However we need to assess the need for before school care and whether it would be financially viable.

When you book your children into before school care they are provided with a delicious breakfast of cereal and toast with fruit and juice. Monday mornings will also include fresh pancakes and Fun Friday’s will incorporate a different special breakfast each week.

Your child will also have unlimited access to games, activities, arts and crafts, homework help and morning cartoons to start their day.

Before school care would be open daily from 7am to 8:30 where the children will go outside to play before school.

If you would benefit from and use before school care please send us a quick email at pembrokeoshc@gmail or text at 0437-569-448 with your name and a contact number, or express your interest at the office.

If we can get sufficient numbers we will reopen!!

BULLYING

Bullying is becoming a bigger problem everyday and is effecting a large number of children. It can make kids feel lonely, sad, scared and sick just to name a few symptoms. Your child may not tell you that they are being bullied but you should be aware of the warning signs, they could be getting more timid, withdrawn etc. These maybe signs that they maybe being teased or bullied, it is therefore very important to keep an open dialogue with your child.

Don’t lay the responsibility totally on other people, be prepared to learn more and follow through with constructive help to your child’s school or sporting club. There is a great website I recommend, it is http://kidshealth.org/kid/feeling/emotion/bullies.html#

If your child is being teased or bullied, it could effect them way into adult life.

Give your child time to talk to you everyday. Be aware and be prepared to take action.
