from the Principal ...

Camp

Only a week to go before our Year 2 – 4 students head off on their Camp to Melbourne. The teachers have planned a really comprehensive couple of days investigating various elements of Australian and Natural History and I am sure that the children attending will have a fabulous time (as well as coming back with a few new discoveries!) I thank both Kim and Phillip for the time they have put into planning and preparing for the Camp.

Reminder all newsletter items must be handed in/or emailed no later than 10.00am on a Wednesday morning to ensure it is included in the current week’s edition of the school newsletter.
Parent / Teacher interviews

A notice will be going home this week in regards to the Parent / Teacher interviews on Thursday, 27th June. Whilst you may already have contact with your child’s class teacher/or be happy with the way in which they are going; attendance at these interviews is very much appreciated and is part of the home/school partnership that is so important for learning.

Year 5/6 Cake Stall

The Year 5/6 class will be holding a Cake stall tomorrow, Tuesday, in order to raise money to subsidize the cost of an excursion to the Immigration and Chinese Museum. It would be wonderful if children could bring along some money on the day to buy something yummy. Your support would be appreciated by the children in this class who are working hard to fund this activity themselves – great leadership Year 5/6!

Prep enrolments 2014

It’s hard to believe that we are already talking about 2014 but the period for enrolments and tours is occurring.
News from the Principal continued…..

If you know of families that have four year old children, talk to them about the positives in considering Pembroke as a school for their child. Tours can be organized and Information packs sent out. Working together we can help build Pembroke.

“Nude” food

The school is working hard in an effort to reduce the amount of rubbish and litter that it has in the school. In rubbish pick ups we are finding there are a lot of box drink containers and chip packaging. It is great to see children bringing food in reusable snap lock bags or plastic containers and their drinks in reusable drink containers. Anything that families can do in the pursuit of a “rubbish free” and sustainable school would be appreciated.

We are considering reopening before school care to make things easier for our families. However we need to assess the need for before school care and whether it would be financially viable.

When you book your children into before school care they are provided with a delicious breakfast of cereal and toast with fruit and juice. Monday mornings will also include fresh pancakes and Fun Friday’s will incorporate a different special breakfast each week.

Your child will also have unlimited access to games, activities, arts and crafts, homework help and morning cartoons to start their day.

Before school care would be open daily from 7am to 8:30 where the children will go outside to play before school.

If you would benefit from and use before school care please send us a quick email at pembrokeosho@gmail or text at 0437-569-448 with your name and a contact number, or express your interest at the office.
