Well another term is just about completed and we are almost at the half way mark for 2015. It has been a really wonderful term with continued good news about how our building project is shaping up, the success of sporting teams and individuals, students showing great improvement academically, Camp and a host of other memorable moments. A big thank you to all those who have assisted along the way. Your support of the school, its staff, processes and practices is very much appreciated.

Reminder all newsletter items must be handed in/or emailed no later than 10.00am on a Wednesday morning to ensure it is included in the current week’s edition of the school newsletter.
Thank you to our wonderful Pembroke crossing man, Laurie who donated many brightly coloured children’s tennis racquets to the school. Laurie used to be a tennis coach and was happy to donate them and see the children actively having ‘a hit’ at recess and lunchtimes. Thanks Laurie. Thanks also to Bill, one of our Kids Hope mentors who also donated a couple of additional racquets.

**REPORTS**

As indicated previously reports and portfolios will be sent home on the first Monday of next term and interviews will be held in the second week.

**CAMP**

Our Year 2/3/4 children headed off today on their overnight camping experience in Melbourne. There were lots of excited faces (and a few nervous ones too). Thanks to Mrs Woods, Mrs Todkill and Ms Collins for their organisation of the Camp and to Craig and Ms Richards who will be attending. Looking forward to hearing all about it when they return tomorrow.

**AFL 9’s**

The school has been participating in the AFL 9’s program as part of the Physical Education Curriculum at the school. On Thursday, we will be taking a team of girls and one team of 12 Year 3/4 boys to a Gala Day to be held at Ferntree Gully. They will play against a number of other local schools. Players have

Nationally Consistent Collection of Data on School Students
with Disability ‘Collection Notice’

All schools in Australia, including Independent and Catholic
schools, will participate in the Nationally Consistent Collection of
Data on School Students with Disability this year.

The Data Collection is an annual count of the number of stu-
dents with disability receiving educational adjustments to sup-
port their participation in education on the same basis as stu-
dents without disability.

All education agencies are now required under the Australian Ed-
ucation Regulation 2013 to provide information on a student’s
level of education, disability and level of adjustment to the Aus-
tralian Government Department of Education and Training. * 
Data will continue to be de-identified prior to its transfer to the
Australian Government Department of Education and Training
News from the Principal continued…..

No student’s identity will be provided to the Australian Government Department of Education and Training.

The collection of this information from states and territories will inform future policy and program planning in relation to students with disability.

If you have any questions, please do not hesitate to contact Carolyn Elliot on 97256689 or the Victorian Department of Education and Training Data Collection Hotline 9651 3621.
