- Thurs 20th/Fri 21st Nov Life Education
- Thurs 21st 2015 Prep Information night.

Building Project Update
Three architectural companies have been shortlisted to present a tender to DEECD (Education Department) in regards to the Building Project at Pembroke. Members from each of the three, visited the school, received a tour and held discussions with me in regards to the Vision wall we created and our hopes for the new building. Today I have received these tender documents and, in conjunction with DEECD we will be interviewing each company to select the preferred architect for our project. This will probably occur within the next one – two weeks. From there various documentation i.e. power, water, sewerage etc. will be collected as well as gathering more information on what our community wants and what is achievable within the budget that we have been given. Nearer to the end of 2014, architectural drawings will be completed and we will get to see what our new school will look like.
OSHC PAYMENTS
With only five weeks until the end of 2014, a reminder that all outstanding OSHC payments for the year need to be completed. As the school runs this program, all money that is outstanding comes from school programs. If you are having difficulty with payments, see Carolyn to organise a payment plan.

LIFE EDUCATION
This week, the Life Education van will be visiting Pembroke. Children will participating in the program and then working on a Life Education booklet back in their classrooms. The content of the program is designed to reinforce healthy living and provide all children with valuable strategies for dealing with situations that have the potential to cause harm. All teachers are present whilst the children are in the ‘van’ and therefore are able to follow up and reinforce what has been covered.

SWIMMING
Next week marks our week of swimming, an opportunity to develop fundamental lifesaving skills in addition to becoming more confident in and around water. Thank you to all the families who have supported this program.
STATE ELECTION BBQ
On Saturday, 29th November, the State Election will be held. Pembroke Primary School is a polling booth and therefore this provides us with the opportunity to sell sausages and raise funds for our school. If you are able to provide an hour of your time to support us and ultimately benefit your child this would be very much appreciated.

PLAYGROUP
The school is working with the local Council and the Migrant Information Centre to establish a Play group at the school from the beginning of 2015. This will be open to all families in the area. We hope to have more information about this exciting addition to our school soon.

Carolyn Elliot
Principal
# Congratulations to the following students.

STUDENT OF THE WEEK.
November 17th – 21st 2014

Congratulations to the following students:

Grade P/1B  **Emmanuel.**
The fantastic effort you are putting into get ’Class Dojo’ points.

Grade 1W  **Johan.**
His fantastic choral reading using the sunshine app!.

Grade 2B  **Jack H.**
His accurate answers for the work we did on times tables and their related decision problems.

Grade 3/4C  **Erin.**
The fantastic effort she has put into her Read and Spell words!

Grade 3/4M  **Nem Nu.**
Brilliant independent maths work-it’s great to see how much you know about money, purchases and change.

Grade 5/6M  **Lian Lian.**
Being most reliable and trustworthy helper, both inside and outside the classroom.
MONDAY IS BANKING DAY.

CANTEEN NEWS
The canteen will be open on Friday 21st November
Don’t forget you need to have your lunch orders in by Wednesday.
Thanking You
Le and Michelle.

Basketball News:
Pembroke Pirates
Pembroke Pirates played SPJE stingrays on Friday night. We won 8—2 Our goal scorers were James and Alex. Well Done Pirates.
Pembroke Power
Pembroke Power played a hard game on Monday night against St Marys Thunder.

Although we lost the match 18 —2 we played a great game.
Saturday 15/Sunday 16th November was Relay for Life at Croydon Athletic Track. It started fine, but the rain came down. This did NOT stop the Team Pembroke under the leadership of Ms Richards. We went around the track in Sun, Rain and then more rain. We would like to thank the dedicated team who shivered throughout the night. Thanks to Leanne Richards, Le Dodd, Katrin Howes and Amy, Emma and Brianna who stayed the night. Many thanks to parents and teachers who came and supported our team.

**GO TEAM PEMBROKE we are all ready to go for next year!**
What a wet walking weekend we have had. I would like to thank the following people, the Dodd, Howes, Kingma, Haines, Wakeham, Rolston and the Holloway families. The fantastic Pembroke staff and students who support this fund raiser those being Mr Bell and family, Em & Mrs Woods, Miss Monks & Shane, Mrs Elliot and Claire, Mr Moxon & Miss Davidson, Ms Collins & Jessica, Mrs O'Rourke, Mrs Huggins, Sienna, Serena, Amber, Ryan, Darcy, Isla, Larissa also, *Amy, Bree, Emma, Jared and Lachie, I call these guys the all nighters*. Without your support it would not be as much fun. We are a small team but the enthusiasm we create to support Relay For Life makes me proud to be the leader. We all know that our aim is to be able to say that we helped raise money for the research that has saved someone's life and an 18 hour walk is easier than a battle with cancer.

I would also like to thank the people that couldn't be there but gave a donation, this is just as important. Hope to see you all same time, same place, better weather next year.

Thank You All
Leanne Richards
Destination Science Kids

This school holidays why not send your child to the land of dinosaurs, through the digestive system in all its glory, to a pamper party or perhaps to become a mad scientist.

These are just some of the fun educational topics that we have available to cure boredom these school holidays.

$35 for a 2½ hour tailor made program by childhood educators.

Destination: Mooroolbark Guide Hall

Sessions for Children starting prep in 2015 up to children in grade 6

Win a free session - like our Facebook page or sign up on our website today!
