Building update

I have had another meeting over the holidays with representatives from DEECD (the Education Department). We are just waiting on approval from the Region of documentation we have compiled. When this occurs we will move to the next stage of interviewing three different architectural companies. From this interview, and working with DEECD, a preferred architectural company will be selected and a master plan will be created. This will form the basis of the works to come which will occur in 2015.

Reminder all newsletter items must be handed in/or emailed no later than 10.00am on a Wednesday morning to ensure it is included in the current week’s edition of the school newsletter.
News from the Principal continued…..

School Review

Last Wednesday our school undertook a School Review. This occurs every four years and analyses data, in this case from 2011 – 2014. From the Review, recommendations are made and a plan for the next four years is created. We have made our intentions known to the members of the panel which included other Principals and external reviewers from Monash University. That is that Pembroke Primary School is to be become the ‘best performing school in the area’ and one of the best in the State. At this stage we are obtaining impressive results in a number of areas and this was noted by the Review panel. With the changes to come, we have a really exciting future ahead!

Parent requests

As we move into Term 4 and closer to 2015, the school begins planning for next year. We would really appreciate the following at this stage:-

Notification of any families who will not be at Pembroke in 2015

Any parent requests in terms of student placement for 2015. These requests must be made in writing and be based upon educational reasons. We ask that all requests be in by the end of October.
Thai students

Last week, Pembroke hosted two Thai students, Leng and Ferrari. Thanks to the Kilby and Mc Donald family for hosting them for the ten day period. (and also to the Howes family who hosted on behalf of Yarra Hills). I think each family would testify to the fact that it was an incredible experience and one that they would consider doing again. This project was organised in conjunction with Yarra Hills Secondary College so a big thank you to Greg Carroll at the College for assisting us with the organisation.

Psychology / counselling services at Pembroke

The school has a number of services available to support children in need. This may involve short term or longer and deeper issues. Things such as family sickness or death, anxiety, relocation, trauma, depression are unfortunately all issues that can confront some of our children. With assistance these can be worked through and strategies developed to assist.

Services include:-

- Chaplain

- Education Department Psychologist - Melanie Peterson

Melbourne Medicare Local – free psychologist at school for individual counselling sessions.
News from the Principal continued.....

This service has been provided as a grant although is dependent upon need. Should families not require this service it will then be offered to another school

- Welfare programs – the school has conducted a number of welfare / wellbeing / friendship programs this year with groups of students
- Values program
- Community circles in classrooms on a regular basis / weekly as a minimum

Congratualtions to...

Ryan H, Ben and Amy who competed in the Divisional Athletic championship last week.

Josh D and Hely who will be competing in the Rotary Public speaking competition this week at the Montrose Town Hall

Reminders

- Parent packs gone home, PLEASE RETURN WITH THE ENCLOSED STUDENT INFORMATION DETAILS (Even if no changes need to be made)
- All Chocolate money or unsold items need to be returned. We have families who are wanting to sell more so if you have any leftover these can distributed.
- Swimming & Graduation notes have gone home.
- Mini Fete 1pm – 3pm 23rd October
- Pembroke School Hats are to be worn during Term 4 – other hats are not part of the approved school uniform

Re:  Invitation for student representation /participation in the **Talent Quest**  Sunday 16 November

The Lilydale Agricultural and Horticultural Society are holding their annual Spring Show on Saturday the 15th and Sunday 16th November 2014 at the Showgrounds in Lilydale.

Now in its third year, the Talent Quest is a popular event with children, parents and spectators. We provide a supportive public stage environment for acts of various talents to perform with prizes for top 3 in each class and an award for an original composition.

**We would welcome any of your students to participate in the event either representing the school or as a self entrant.**

Information can be found on our website [www.lilydaleshow.org.au](http://www.lilydaleshow.org.au) under Talent Quest and in the printed Show Program. We would appreciate if you would consider the following action to support this community event;

- Consider if this can be included as part of your music program or
- Include into your school newsletter so interested students can enter independently or
- Be circulated to prospective students so they can enter independently

Thank you in advance for your consideration. We have included the program information for your convenience.

Yours faithfully,

Georgia Aikman
